Calvary Evangelical and First Church of the Brethren To

Witness Entertainments; Special Services Schod-

uled for Morning Hours Sunday,

BY G. G. CANFIELD
Pastor, First Church of the Brethren
THIS part of the Lord's praytr, with the "Thy will be
done, in earth us it is done in
heaven" has been misunderstood
by many who commonly use the
prayer. They buse tried to think
in too large a group, and failed
to see that it must be personal.
We are culled upon to recognize that "The Kingdom of God
is at hand" and that "IT is not
far from every one of you" and
to one feeur said "It is within
you," so my friend, it is up to
us to pray this prayer, carnestly
desifing the Kingdom to come so
feelingly within that we may
"Let our light so shine before
men that they may see our good
works, and gorily our Father
which is in heaven."
In this we pray for an Holy
Kingdom with the tobe Cod on

works, and glorily our Father which is in heaven."
In this we pray for an Holy Kingdom, with the Holy God an King, and we are members of this Kingdom only when we have been purified by the "Blood of this kingdom only when we have been purified by the "Blood of the Lamb." Sin within a Hie, mattenelly, and to again become a member of the Kingdom, he must be adopted into the family of God: Hecome obedient unto God, follow His program.
It should be remembered too that we are not to expect that we are to be transferred to that we are to be transferred theorem to be heavenly. Jeous said "I pray not that they shall be kept from the cili one." Jeans is the only one that understands all our infranties, and knows God, having come from Heaven to represent god, and went lack to heaven to nucer thuse that are tempted."

It is a by indeed to live this Kingdom life, "God's way is the

Thy Kingdom Come

NETTE—
best way." "It is no more I that lively, but Josus Hyels In me".
The Jesus way is the consistent way. Even in this world of six, we are kept by His power. The worship of our King is one of the outward signs of our membership into this Kingdom. One would not be slothlyt in his Massor's business, if he were a memwould not be slothful in his Master's business. If he were a member of His Kingdom. There can be no attile or jedlouders existing in this Kingdom, so brother check up on yourself, have roubern about your Master's business? Are you holding. If will against any 'one? The enemy in going about trying to deceive the very elect, and unless we are closely in tonch with His cause, engaged estimaty in His work, the enemy overpowers our weak life and we are bett to the Kingdom. This is not necessary for the has left us the "Holy Spirit which will guide you into all treats". It is estimated to the which will guide you into all troth." He instituted the Church that it provides employment, in-apiration, and fellowship. Even where the strong are to bear the infirmities of the weak, but is this foolishness to you? Just the same "Through this fuolishucas

we say flat prayer, "Thy King-dom come. Thy will be done, in earth as it is done in heaven."

#### Expect 5,000 Lutherans At Mass Meeting Here

On Church Program—Frank Clins of Brazil, Ind., will preach at the Chirch of Christ at North Mary and Farming streets Subday at 10:30 a. m. and 2:30 p. m. Total curolineat in the Vacation Church school of Truity Bapitst in thurch has increased to 71 hops and girls. The school, which opened last Monday morning will continue through next week, with recognition services Sinday, June 29.

In all classes there is a daily Bible lesson, memorizing of Bible verses and church bymas and a drill on Bible facts. Habit and character forming stories are told by the teachers and superintendents each day.

The primary department accomplished a great deal of work last week. In hundlwork, the hogs and girls made butterfly and waste haskets, pin wheels, colored pictures, weren mats, scrap books, Japanese lanterns and chains, stencil work and flower bares with pans and flower sends. The students learned two songs, and memory verses, heard missionary story every day and enjoyed physical exercises and outdoor play eversies. They also learned the Flar salute, Bible salute, the Christian flag salute and drammatized soveral Bible stories.

Dressing dolls for a mission school and making a complete ward-robe far each child is one of the handwork projects of the jundor girls, in addition they are heing another passence and to take healthful physical exercises. Scrap books

Daily Proverb -- That which can not be understood is always considered marvelous

Summer will come back during the night and the circus will get lulo the city tomor Let joy be unconfined!

The final figures soon that the lennaylvania Republican primary cost the candidates their backers and filends \$1 125 000. Why the primary? Sydney Frankiln, the American bull-

nghter was gored in the thigh again this week. But he got his bull, so why consider little thing like a gored thish against the plaudits of the multitude! Acting Commissioner of Polico Alcook of

Chicago has reduced the city s detective force to 200 men sending 700 back to pilrol duty If all stories may be taken a in uniform true about 700 citizens of thic go me liable to lose out on their golf form theying folled to climb cither Mt Liveren

or Mt. Kanchenjunga the Him thiyan mountain climbing party will next attempt a at tin the 21 810 foot aummit of Jonson If it perseveres that party in Habi to run up igninst some peak its ible to

king Carol will be paid about four times the presidential calary bore in the United States, but even that wouldn't be so bad if his people gol samething for their mones

It a mighty hard to undors and how there can be any considerable unemployment in the country considering the number of men cugraed in putting in miniature soft courses and operating thom day and night

Clara Bow says it sall a mistake about hor paying anybody \$30 000 or any other sum If their the case she should in semebad; \$30,000 for the publicity she got out of the slots Bust about overy paper in the land fell for the lale

Statislies of the date of May 15 given out by the bureau of Irbor in Washington show that food prices were still fulling at that date The falls however nero not of a unitoty which could possibly be classed as startling

The wonderful development in radio in necent years is demonstrated when London Berlin and San Prancisco can be linked as they were this work without attracting more than presing newspaper notice

From three men arrested at the same time gin and ryo whish; valued at \$100 000 were seized in a vacant house in Nausau county Now York It was learned that the stuff was to have been diluted five times and sold under counterfeited United Sintes and Canadian seals, found on the premises as Hollow is 5 Dry London Giu and William Poun Rvo Whisky as many thousands bottles of the stuff had been dispused of before the best should look over their stocks and figure out what they have been priving for

#### Red Activities Among the Young.

Appearing at the inst of three works sittings in Washington of the house special communist committee Mrs Mais Shelman Walker of Scritto Washington told of the activities of the reds a nong the school chill dien of the land Mrs Walker who is chalimm of the de-

fense committee of the Daughters of the American Resolution presented to the committee sixty four exhibits which she hald, clearly demonstrated that the reds were training American school children in street fighting military tretles and in propagondizing work looking to revolution. She exhibited cartoons prepared in lioscon and cliculated among American children bearing such titles as Kicking Over the Church and Sweeping God Out with a Broom and told the com mittee of sough in victous words set to the nn ic of Onward Christian Miles which weis being given to school children Games such as Hide and Seek she said the icds nie teachter children to call Hunt and Capitalist or Find the Ammunition

And the state of t

All this may seem trivial to some vet it is well to remember that childish minds are impressible and lit the boys and girls of today will be the men and women of tomor Some may feel that considering such matters as described by Mrs Walker as a threat against the perpetuity o, our government is looking a long was thead for trouble Possibly it may be considered foolish but the folly of it can not be compared to that or waiting for a snake to develon and gam

its full growth and strength before scotching it And that is precisely what the people of America confident in their own sires g 1 and that of their government have been and are doing in regard to red activities.

Playing Tag with a Waterspout.

The negal course of neface vestels is to lodge water-pours but the alars fieling boot Argentina of the National Geographic so clety recently varied the entomary program by playing the aith one

the unit unit experience cus reported to the society a head martons in Wighleston by Freds 'cy Simpleh who was in charge of the scaping survey porty encoute from Ke/ West to Cube when the waterspout was encountered When simost in sight of Havana he wrote then a rain squall ble s up to the sturboard of the Argentina. To avoid the berry blick cloud the respiring was steered to port when to the ematement of those theard there quietly dropped from the northern else of the stormeloud the thin writhing blick column of a waterspout" a few seconds it grew to a black whirling corkserer not less than 600 feet in height

Outset a fith hotofisher apoing Juop end over lifts feet in glameter. and Captain Albert Stevens in army resial pleture man at once select elmerts and rushed to open ports to sman it

A sinister felabital lacking monster the apout had now become ' reads the report like I glant fuctor; thimney linking the heavens with the sea. Then is it grew in size and whiched and twisted it took the chaps and appeal thee of a preat inik sirly and mist rising in clouds from where its fall Inshed the sea Net it writhing edges were is clean cut as a broad band of black ribbon.
All day the thy had been everest the

sea crim the air rupercharped alth moisture It was from a particularly black los lying cloud that the great spout bud developed, and is we flew found and tound it Ciber and Stevens made a size of pictures. By my witch it was exactly goven minutes from the time the apout first formed until it faded into the black depths of the moving squall

Very naturally such pictures of with spouts as have been taken from surface ves sels bevo been photographed at a considerable distance but the Argentina it the time this particular spout was encountered was llying at the rate of about 100 miles an hour and the capable of dolar twenty fro to tell confident of their ability to approach losely to it and yet keep out of its way

Hence it is that newspaper readers will very probably soon he serful in halftone and atogrammer what a waterspout it illy looks like close at hand

Washington reports that about eights of the ninety six members of the senate are ends to vote for the London unval treaty but a dination like that will not necessarily estop the fellows who are happy only when in the rays of the publicity spot light from sceking to do a little or iting for or against the tritte

#### Adding to His Laurels

Bohby Jones victory at Hoylake 1 riday did not change ht ranking in the political world for he stood first when entering the contest but It did incentuate the honors which were already his for it not only have him the honor of holding both the United States and British open titles-en bono which he alone had maylously enjoyed-but also the honor of being the first man in the history of the game to hold three major solf

Holder of the United State; open which he has twice held before of the Hillish British amateur lith and tong times winner of the United States amateur a the amazing

Would it not be man clous were he to go in and like the American amaton; title and thus attain the most sublime dream known to golf-that of holding allie the open and amalous honors of both careat isolitain and the

Having given the matter a little con sideration the newspapers and the politicians have very generally reached the conclusion that the nomination of Mr Morrow as Re publican sourtorfal candidate in New Jersey is due to his high clanding smong fellow lersevites and the pride they fort in his char neter and achievements a conclusion which should have been reached by them off hand

Downger Queen Mulio is to receive a grant of \$125 figura year but living is cheap over In the Balk are and maybe by strict economy she may be able to run her various palaress and still be able to sive enough to permit her to do her customary amount of fraveling

victory there ever Earthne Excudencents bim sich into the running tor the heavyweight championship. Why wouldn't it be a great schome to shut on all the hot ill about the heavyweight championship until the e is developed a fighter at least as close as a thirtssecond cousin to what a real heaveneight champion should ba?

Sources Citiway in reporting to the senale the refusit or hishap Cinum to tell how he had expended a \$15 00 fund entrusted to him in the 19-8 campaign stitled that the bishop must do the explaining. The senator probably realizes that he himself has talked more on the subject than the situation

Despite the fact that they had nationated

Aviation Progress.

According to a statement issued by the aeronautical Clumber of Commerce of amelica the total amount invested in place equipment accessories and experimentation amounted to about \$75,000,000 for 1925. The figures for 1929 ran well over \$100,000,000 fm april 1929 according to Goldstron it was estimated that fiving over the the J7016 miles of American airways was at 15 rate of 10,000,000 miles per year or a day late greater than the equatorial distant around the world

excites most comment. The life itself it abounds in distance liftings are spinituded with a satisfant and ceilings are spinituded with a satisfant motions to manton to mention. The continuity is and seen to be seen feet wite and ten feet long. He is himself in act of the department said. One of the reasons for the tremendous is and ten feet long. He is himself in act of the department said. One of the reasons for the tremendous is and ten feet long. He is himself in act of the department said. One of the reasons for the tremendous is a many with a wild more of snow curity and deep set penetrating even. An impedition in his drawling speech accentuates a matural difindence and he seems to bend under the might of unseen correlation. At one time he was sheen of Duchess county and appeared Rochard Harding, Davis study is in which red and wild orange stream. In the drawing root the piano cover is a zebra said life and wild orange stream in the drawing root the piano cover is a zebra said life intervals. In addition to the revolving are the ugit footpernts of a grant life intervals. In addition to the revolving ten from which he receives a bringhing the said in the mood calcas him. But not untilly and down the course but fash in Morse code the number of the beacon in Morse code the number of the beacon. There was not a part was a lighting on one many was carried in most one in the form of the firm and cover is a go only many was carried in mills interval. In addition to the revolving the said of the firm and cover is a solution of the truly great the step greater than the equational decoration of the treater greater in that the equational decoration of the treater of and the greater in that the equational accordance in the average of them. P VacCracked assistant secretary of the treater of the treater of the action of the decay of the department said.

One of the reasons for the treater of the treater of the treater of the most part was natural to commercial fixing. One of the department said.

One of the reasons for

one miles of lighted alrways Lighths, equipment is standard and placed at ten mile intervals. In addition to the revolving Leacons, we have course lights which not only point up and down the course but flash in Moise code the number of the beacon. Three veris igo only mail was carried this bit. Today we are also carrying passengers, and tapress by night. With the completion of lighting on on, major alrwaind index beacon and ratio communication services. In hier night, flying on regularities will be just as common as daying operation.

operation
Livery effort in being made to establish after in hight and to make air transports tion popular. The large transport plane with a top speed of 1.50 miles per hour are equipped with many modern conveniences—wash rooms electric graits refrigerators exchairs britis radios and heated and sound proof cablus. It is estimated that the flucted lites of the nation increased more theolemnic of the section of the convenience of

Kappas 19 Company B 2. K. of P. 5, Prospect 4. Shovel 5, Serv-U-Wel 2. rs. Exeavator-postponed. BY BOB ELLIOTT

BIG F. Lacavatur-positioned.
BY ROIF ELLIOTT
The Kappas took a straugle hold on first place in the Commercial league race inst night and this morning are almost sure hels to cop the loop championship. It would take as much puve right now to bet against the fraternity team as it would to bet against Hobby Jones. The means and wherefores of all this came about when the Shovel A. A. trauned the Ser-U-Wei nino 5 to 2 while the Kappas were halloping the Company B boys 10 to 2.

The defeat of the grocers coupled with the fraternity win gives the

It boys 10 to 2.

The defeat of the grocers coupled with the fralerative win gives the latter a two game lead with the first round nearly completed.

The Diverse outplayed the gracers.

The Diggers outplayed the grove The Diggers outprayed the grocers in every respect of thu game and in addition to that got all the breaks and when things happen like that you're not very likely to love. The victory tied the Shovel team with the grocers for second place with four games won and two lost, both teams have lost to the Kappas as well as to one either. to one other.

winners opened up on Somer The winners opened up an Somer-tot in the third inning last evening to seem twice. Hawers started with a walk and after Ballenger bad grounded out. Bush dreve a fluke home run over Walters' head in left field. A third came in the next frame when Hinze went clear to third on Walters' error. He second a moment later on Gustla's sacrinea by to

later on Gushie's sacrance my to Smallwood.

The final two came in the sixth and were the result of more loose playing by the grocers. Mankenship scratched a single to Van Scoy but scratched is single to van scew and limits forced iden at second. Gustin heat out a lit to short and went to second and Hinze to third when Jerow threw the ball away. Lashey screed them both with a double to shoke series foold.

scored them both with a double to right center field.

The lowers scored first in the lifth when. Walters' fly was muffed by Hino and he reached second. Somerlot drove out a double to tight that scored Walters but he was out trying to stretch it into a triple, Blankenship to Bowers. The second and list run came in the sixth industrer law were out. Neal tripled over Hinze's head and Coulde drew a fisher on double back of second hase.

Hince's head and Coulds drew a fuller pop double back of second base.

Lashey and Samerlot, the opposing pitchers were also the litting stars with a double and a single and two double respectively. The Shovel Liteld played beautiful hall accepting 27 chances without an error.

After practically climinating the Shovel team from the peanont into

inst Wednesday, the Prospect firementook a 5 to 4 trimming from the Kort P. tenm yesterday in olght lumings. The Firemen lost a chance in go into a tithe lie for second place by the defent. They now occupy fourth with intree won and the same number lost. Thomas helded a nice game at third for the levers, accepting eight chances without a bobble.

Ganal Workout

The Kappus had a good workout with Company B, finally ending play with the second standing 10 to 2. The fill wasn't so one-sided until the fifth but from then on in it was nothing blee. Five in the fifth-six in the sixth and four in the revents completed the scoring anties of the winness.

by Someriot—2; by Lashey 3 Bases on balls—off Someriot 5; off Lashey C., Olympia Games sprint champion, 2. Double plays—Marquis to Bush to Ballenger; Jerow to Steinman.

| C., Olympia Games sprint champion, has joined again with his old coach Ballenger; Jerow to Steinman.

OTTO KNOCKED OUT IN FIRST ROUND OF SURPRISING BATTLE

Macon, Georgia, Youth Throws Away Former Stalling Tactics as He Whales Otto.

iics as He Whales Otto.

BY WILLIAM WEERICS
Associated Pries Sports Writer
CHICAGO, June 21—The angular
figure of Otto Yon Porat, Narway's
out of the championship scene—pronelled there by the left fist of William
Striblina of Georgia, U. S. A.
Two mintes and fifty seconds after
they crawled into the ring at the Ghirago studium hat night, Yon Porat,
the paralyzer was stretching paralyzed
on the floor, by the same left hand
that caused Stribling to ask postponement of the battle.
The ex-schoolboy from Macon, Gu.
fishing in a fusion that amazed a
lining of around 21,000 presons, carried Van Porat off his feet from the
start. None of the hobling and must
fing that has characterized previous
Stribling engagements, were on display. Stribling come out using prerything and it was a thoroughly lewildered Von Parat, who launched a fight
awing at Stribling's jaw and ran into
n left hook that dropped him like a
rock.
Von Porat's head struck the canyas

ock. Von Pornt's head struck the canvas blo might have falled to accomplishing finished when his bend struck the loor, Stribling was all over Otto fron be start. His left chunked into Vor Count's face with keen precision and a rousing right hand under the Norof what was coming later.

lifen of what was coming later. Stilling not only battered Von Parat out of the beavyweight plettere, but leaped into the center of it. He might have eliminated Von Frant by pounding out a decision in the well known Stribling fashion. Instead, he was the filter—an pleusant-faced, hughing filter. Everything he did was improvise.

ing after. Lacything he did was imprissive.

Hudhelat figures on the box office angle Indicated the fight had created a new indoor attendance record for hoxing /Around 21,000 spectalors paid more than 880,000 to watch the stimular galidiffication of what Stribling can do when he wishes.

The end came so aboutly that the crowd stand speechless. Stribling rangul of his corner, nestsfed Von Parat to his stand, then hughed a few words into a radio microphone. Then he can to 'Pa'' Stribling, his fathermanager, and embarced him.

#### This Week in Sports

Cardington es. Saf'l City at Lincoln (3:30). Marion Nat'l es. Mt. Gilend at M GHead (3:00).

The Lee Street baseball club will open Its 1930 cases Stated and other noon on the Steam Shovel damond when it opposes the City Ice and Fuel ream. The games is scheduled for 2-30.

Colonels Take Third Win from Kansas City Club

COLUMBUS, O., June 21—The pennant-hund Louistille Colonels made it three out of tour by taking the series final from Kausas City, S to B, yesterday. The Kentackians pounded two Kaw burlets for 11 safe

pounded two Kaw hurlets for 11 safe lats.
Walter Betts, St. Paul moundsmen, let Columbus down with four hits while his team mates pulled in an S to 0 victory with 11 hits. Tolcale kept on the hecks of St. Paul in the trace for second place by nosing out Minucapolis, 7 to 5.

Midwankee smethered Indianapolis, 11 to 3.

tional league home run leadership with nineteenth and twentieth homers but Braves lost to Cubs. 7-3. Sain Gray, Bravins—Held Red Sox to five hits as Brawns won. 4 to 3.

to fite hits as Browns won, 4 to 5. George Ezrashaw, Milettes—Hunded Cleveland its first shulout of year, giving five hits and striking out eight as Athletics won 8 to 0. Larry Benlon, Rels—Won first game as members of Reds, defeating

Brooklyn 2 to 1.

# SPORT

TTS beginning to look as if there's k going to be nothing at all to this mineral league race except the Kapras. Boasting a two games lead with one set of games to be played yet before the end of the first round, the fruternity team can already start tooking forward to the world series causes carded for early September. True enough the Shovels, Serv-U-Wel and Prospect may all upset the Kunjas in the se and round but we're just about willing to befour hist clarify that the Greek-lutter hops will have that old pennant all sewed up 'ng before the ecood round is suded ong before the second round is ended

ring before the eccord round is ended.

Flently of activity on the sport card for next week to satisfy even the most particular of the fairs. Weekling on Tuesday night, howing on Thresday night and recreation ball games every night in the week with fixe games on the Monday evening schedule. That's a full enough week for anybody and almost too much for someholf that takes he veryfling. The groun and grunt show promises plently of action to followers of the Tuesday night sport with Dudo Chlek opposing Dr. Rulph Wilson in the main bout. It will be Laddes night at the Shovel gym and a good croud of the fair sex is expected to attent. preted to attend.

THRTY-TWO rounds THIRTY-TWO rounds of boxing are on the punch show eard for next Thursday night at the Shovel 1m Jesse McMurty of Cincinnaty and K. D. Terry of Portsmouth have been limd up by Promoter Jude Personan for the ten round main go Bacsman field Turry as the best ightweight in his stable of ten men and is hooking for nothing else but a Terry victory in the Shovel show. Inserte he only the model know abolity of the Dina Irishman. McMurty has an impressive record and it will behoove Mr. Terry to move with continuously and the time of the time.

The heatyweight situation has

The heart weight situation has cauged somewhat as a result of Young Stribiling's one-mond & O. of Other You fruit list ight in therapy of Charlest in the transfer of the Charlest light in the transfer light in the Market light and Mark and her into You Pornt with all the fiereness of a Jack Dempsey of 1919. The Norweghan we completely a sea against the atlact of the Georgia school-how and when in desperation he swing a weak right, only to feel the caressing of Mr. Stribbings tell against his chin he genity laid down in the rosin to end a had night.

I have moved from Emerson Building to 141 W. Church St. Dr. W. H. Hinklin

A defiulte reason for extra value in our

## Used Cars

When you buy a used car you should be sure the price is not put above the actual world of the car, to allow the dealer to recoup an occessive trade-in

allowance.
Under the Ford policy there is no incentite for this sort of practice—for the price of the new Ford car is so how and the value so high, that unreasonable trade-in concessions are hardly earlible. possible. 'Wa allow the buyers of a

Model A just what his old car is worth—and we offer that used ear for sale on the same basis. Model T Fords are reconhasis. Model W Fortts are recon-ditioned throughout, and guaran-teed. Prices for other makes of cars are based un the service you will get from them. Right now we are obering unusual bargains in unused transportation.

Goose Goslin Hits Third Homer Since Climbing into Brewnie Uniform.

By Hugh S, Fulleron, Jr. Alexandron Trades among the clubs of the American Rages seem to have been a series of use more so in the part of the various managers involved. Every team that nequired men material in these deals is giving an appearance of the various managers involved. Every team that nequired men material in these deals is giving an appearance of the various managers involved. Every team that nequired manages involved the team that nequired the standard to chose for the confort of the leaders. Use of the part of the various managers involved. Every team that negative the standard to chose for the confort of the leaders. Use of the part of the part of the various managers involved the standard to chose for the confort of the leaders. The St. Louis Erose new to the standard to chose for the confort of the leaders. The St. Louis Erose new to the standard to chose with the standard that the Chose of the landard that the Chose of the land

over the Boston Braves to place them selves only 1½ games behind.

Two Robin errors in succession combined with two hits gave Larry Benton of Cluchuntil the decision over Durzy Vance in a fight game. Benton gave the lengue leaders only fine losts part the lengue leaders only fine losts again scored early as Cuyler and English repeated Thirsony's home tum hitting act and Wally Berger's start the third.

Local Batting Averages Take Big Drop After Columbus Engagement.

Victory No. 4 will be the manu object of the Marion Shovels when they take the field tomorrow afternoon against Lima at Lincoln Park. This seems to be the jinx number as for as the locals are concerned for the as the sonis are concerned for the team has been trying to get their record are three triumpls for the last three Sumlays. After winning the first three games the Digects lost two straight engagements to the Toledo Oldsmobiles and the Columbus All-Ivos.

The Allen countians boast a sweet lineup both defensively and offens-The Allen countains boast a sweet linear both defensively and offensively. They have batted 337 as a team for the first sig games, all of which were recorded as victories. The Marion engagement is their seventh of the season and they'll be trying hard to keep their string of wins our broken.

On the other hand if Bacon can't get his team going before very long their senson's record is going to be mothing but impressive. A loss to-

#### GALION GIRL WEDS

Miss Marilin Davis Beromes Brido of Middletown Man,

GALJON, June 21—Misa Martha D. Davia of Cleveland, daughter of Mr. and Mrn. H. C. Davis residing south of the city became the bride of T. R. Wayne of Middlelown, O., alhigh moon today. The resembly took place at the first M. B. church and

ligh noon todily. The reremony toos place at the liftest M. E. church and was witnessed by a host of friends and relatives of the couple. Hex. Robertson officiated. Roy Reest of Cleveland acted as best man and Miss Elmor Davis, sister of the bride, was the bridesmaid.

The bride was favely in a white satin gown with accessories to puntch and the bridesmaid were an orchid net dreas with accessories matching. Tollanding the ceremony a wedding dinner was acreed at the home of Mr. and Mrs. I. W. Davis of much at Gatton. The rouple left for a trip They will reside in their new home in Middletown.

Prestons to her marriage Mrs. Wayne was complexed with the Brown Hat shup in Cleveland. Mr. Wayne is associated with the Railway Express Co.

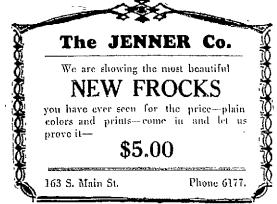

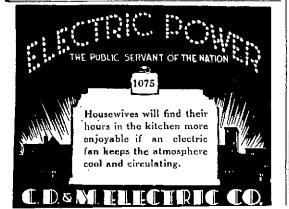

#### To match her solitaire 👡 . . a sparkling wedding ring

To be thoroughly modern, the wedding ring must match the engagement solitaire. The plain or even engraved band is no longer sufficient. Fashion requires a sparkling row of small diamonds in the nuptial band of platinum or white gold. And ours are moderately priced.

The Spaulding Brothers Co.

CIRCUS DAY DRAWING NEAR

TIPICAL CIRCUS GROUP

The gircus lot at l'airground and Greenwood streets will be transformed into a come of activity Sunday when the Hagenbook-Wallace Circus raises its 'ent there for the Monday afternoon and evening per-

The Hagenheel-Wallace Circus this year is sald by the management to be the most pertentions ever put out by that organization. Featured this year is the set of the Great Wilno, who is shot from a huge cannon across the tent, inching in a net on the other side. Contain Clade Beatts, animal trainer, v.il also furnish thrills as he works in a spect enclosed arena with he 36 hours and tigers. One hundred clowns will furnish laughs throughout the show.
